*Hello Classmates! An invitation and complete details for this very important celebration will be coming soon. But, first the reunion committee needs your help. Please take just a minute to complete the bottom portion of this page with your contact information and return it to us as soon as you can. You can either send this via the old fashion U.S. Mail (return address label provided) or you can e-mail the information to [sandrarrigby@aol.com](mailto:sandrarrigby@aol.com) or [Rigby@Penncrest.com](mailto:Rigby@Penncrest.com) . If you have any contact information for any other members of our class, please send that along too. We need everyone's help to make this reunion a success. We want to find and contact as many classmates as possible not only for this reunion but in anticipation of the big 50 in 2013. We hope you can join us and fellow classmates for a fun evening of catch up, story telling and good fun.*
